First International Symposium on 5G

29th to 31st March 2016

Jointly Organised By

Indian Institute of Technology Patna (IITP)

Center for TeleInfrastruktur, Aalborg University (CTIF)

This symposium cordially invites researchers from academia, industry, government organizations etc. to participate and share their research intuition and views over the possible 5G technologies, standardization aspects, heterogeneous networks, architectural designs, wireless techniques and new hardware designs, to pave path towards the R&D in near future.
