## IEEE International 5G Summit

### Theme: IoT & Cybersecurity

#### Research Forum: Call for Extended Abstracts

The IEEE IoT/Cybersecurity summit invites extended abstracts from Masters and PhD students for the student research forum on topics such as:

- IoT Cyberspace
- IoT Ecosystem
- IoT & Healthcare
- Industrial IoT
- IoT & Secure Big Data Analytics
- IoT & Smart home
- Cyber Security
- IoT Security
- People-centric approaches to security

as well as other topics from the IoT & Cybersecurity domain. **Accepted authors would be invited for an oral presentation in the research forum to be held on 1st July 2017 at the IEEE 5G summit.**

#### Extended abstract guidelines:

The extended abstract should be two pages long, single column, normal line spacing with 10pt font. The extended abstract should be submitted via email to [vineethbs@gmail.com](mailto:vineethbs@gmail.com) with a copy to [smthampi.in@gmail.com](mailto:smthampi.in@gmail.com).

#### Important dates:

Abstract submission deadline: **15th June 2017.**

Author notification: **18th June 2017.**

Oral presentation: **1st July 2017.**

#### Event Details

IEEE IoT/Cybersecurity Summit Trivandrum will provide a platform for the leaders, innovators, and researchers from the industry and academic community to collaborate and exchange ideas in emerging technology areas of IoT & Cybersecurity that may help in driving the standards and rapid deployment.

This one day summit is a forum to present, highlight and discuss the latest in products, applications, development, and business opportunities in IoT & Cybersecurity. The enormous potential and opportunities of 5G, the next generation mobile network, which is expected to make the Internet of Things much more efficient, will be one of the core focus areas of the summit. It is expected to bring together the key policy makers and leading IoT/Cybersecurity industry stakeholders to discuss the challenges, opportunities and benefits.

The summit will feature a rich industry program comprising keynote addresses, invited talks, showcasing/exhibiting products from companies and research forum presentations. The invited speakers include key industry leaders and eminent personalities from India and abroad.
